Comments: Almost immediately after the waiting period for the cancer policy to take effect. My son

was diagnosed with Leukemia. During the nearly two years of his treatment, the help I received allowed

me to be able to afford making the trips back and forth to Salt Lake. Including the expenses of not only

fuel, but hotel rooms and food, while taking time away from work. Without worrying about how I would

pay for everything. This allowed me to put my focus on him rather than finances and allowed me to

make the experience as easy as I could for my son. Working with Globe Life in getting claims submitted

and paid was a painless process. With the only complications coming from dealing with the billing

deparments of the hospitals. (If necessary, please continue on the other side.)
